ABOUT AUGUSTUS

The consumption of media is ever present, yet the mediums and the means are ever evolving. We are a 'New Media' company, born in one of the most dynamic and vibrant cities in the Middle East. Our vision is to establish and maintain a 'New Order' of media advertising with data and content at the heart of everything we do.

Augustus is a Middle Eastern digital media company based in Dubai and Riyadh and has been designed to adapt and evolve to this perpetually changing media environment. Our mission is to be the 'New Media' company of choice in the Middle East by generating profitable growth through innovation and breaking the mold in marketing communications.

Values

We understand that achieving our mission is based upon strong values and we have identified three that sit right at our core.

- **Ingenuity:** There is a bit of genius in everything we do. We take pride in our creative originality.
- **Tenacity:** Good things come to those who work for them. We always persevere and persist.
- **Velocity:** High level performance is about speed and momentum. We are fast and agile in how we think, operate and how we act
